There are TWO parts for English Writing. Please read and follow the instructions given.

[PART 1] (30%)

The pie chart below shows where energy is used in a typical Australian household, and the table shows the amount of electricity used according to the number of occupants.

Summarise the information by selecting and reporting the main features, and make comparisons where relevant.

You are expected to write **at least 150 words** for this part.

Amount of electricity used in a typical Australian home	
Number of people in the house	Electricity used: kilowatt hours (kWh) per year
1	5,000–6,500
2	6,000–8,000
3	7,500–10,000
6 or more	12,000–16,000

[PART 2] (70%)

Please choose **ONE** topic from the following topics and write an essay.

You are expected to write **at least 300 words** for the essay.

1. Most people accept that we now live in a globalised world, but not everyone agrees that this is beneficial. To what extent is globalisation a positive or negative development?
2. In recent years, it has become harder for new graduates to find employment, and many young people struggle to join the workforce. Why do you think this situation has occurred? What can you suggest to solve the problem?
3. In the developed world, average life expectancy is increasing. What problems will this cause for individuals and society? Suggest some measures that could be taken to reduce the impact of ageing populations.
